INFORMATION DISCLOSURE STATEMENT

Dear Sir:

Applicant submits herewith patents, publications or other information of which he is aware, which he believes may be material to the examination of this application.

This Information Disclosure Statement is not intended to constitute an admission that any patent, publication or other information referred to herein is "prior art" to the invention of the above identified application, unless specifically designated as such.

The filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information exists.

A copy of each of the items listed on accompanying Form PTO 1449 (Modified) is supplied herewith.

Related co-pending applications of which applicant is specifically aware are
